Hi Joanne,

Attached is Chapter 15 SNPRM. As soon as you get this incorporated into Chapter 2 Purpose and Effects, please email a copy of it to Maria with me cc'ed. We can worry about getting it on the Sharepoint site later.

We are still waiting for a response from OGC regarding any edits to Chapter 1. I think it might be best if we just tell them to send us a clean copy that we can send to OMB and then we'll make sure you get a copy of that version.
